PLEASE READ – IMPORTANT INFORMATION

Customer Proprietary Network Information – Special Notice

Effective December 8, 2007, new FCC rules associated with Docket No. 07-22 went into effect to protect your Customer Proprietary Network Information (CPNI). CPNI is data that is not publicly available, including the types of services you subscribe to, the number of telephone lines you have, how much you use your services, and your calling and billing records. Pursuant to the new rules we are obligated by the FCC to implement the following safeguards to protect your CPNI:

- 1) Call in customers will be authenticated by a validation code that will appear on the front page of their bill or by a pre-determined password.
- 2) Walk-in customers will be authenticated by presenting a valid photo I.D.
- 3) All Customers will be offered the option of setting up a password & back up authentication for lost or forgotten passwords.
- 4) Customers will be immediately notified of certain account changes, including changes made to passwords or back-up authentication questions.

Protecting our customers' CPNI is a priority to us and we assure you we will take all the necessary precautions to do so. If you have any questions about the new rules, please call our Business Office at 334-2150.
